

# ELITE CEILING MOUNTED ACCESS PANEL

## with REMOVABLE DOOR - CONCEALED PUSH LATCH

CAP-ELITE

181120

Our **CAP-ELITE** Ceiling Mounted Access Panel is a stylish, contemporary access panel offering a seamless, **flush mount** onto ceilings with **no visible hardware**.

**Concealed push latches** secure the door when closed. To open, simply push on the door panel to disengage the push latches, and allow to swing open.

**Removable Door Panel** offers quick and easy access to equipment for service.

Mounting holes on internal frame allow secure installation when affixed to steel or wood frame.

Manufactured from 18 and 22 Ga satin coat steel.

**Paint finish: "White Texture"** Our exclusive formula powder coat finish offers superior protection against corrosion due to condensation.

Manufactured in **custom sizes**.

**Options:** Custom colour matching
